Journal of Thursday's session was read and approved.

The secretary read the proposition of the Southern Conference regarding the Preacher's Aid Fund and the recommendation of the special committee that: "Whereas the Southern Conference placed their total sum of over \$34,000.00 in the Preacher's Aid for proportionate care of all preachers regardless of former Conference membership, Therefore we recommend that the members of the Gulf and Southern Swedish Mission Conferences become members of the Preacher's Aid Society of the Southern Conference and pay a sum of one-half of one per cent of their cash support toward the Fund and contribute five dollars to the treasurer upon the death of a member and that the funds now in hand be consolidated with the funds of the Preacher's Aid Society of the Southern Conference."

Upon motion of H. C. Leonard, seconded by R. T. Pynes, the recommendation was unanimously adopted.

It was stated that membership in the Preacher's Aid Society required that each member give into its fund one-half of one per cent of cash support at Conference time and five dollars within thirty days after the death of a member. The exceeding generosity and good will of the Southern Conference made a splendid impression and the Gulf Conference felt that thanks were entirely inadequate to meet the proposition.

The following were introduced and briefly addressed the Conference: W. C. Hanson, representing the Book Concern, Miss Eunice Britt, representing the W. H. M. S., and

The secretary declared the instructions had been followed and the ballot had been cast and that all were duly confirmed and elected.

Mrs. Oveson, supply pastor at Elton was introduced.

Question 1 was called: "Is this Annual Conference incorporated according to the requirements of the Discipline?"

It was answered, "Yes in a limited way."

Question 5 was called: "Who have been received on Trial?"

Upon recommendation of the Committee on Conference Relations and the Board of Examiners and the motion of their respective District Superintendents, C. P. Hughes and Luther Lyons were admitted on trial and placed in the studies of the first year.

Question 25 was called: "Who are the Supernumerary Ministers?"

Upon recommendation of the committee on Conference Relations and the motion of W. B. Van Valkenburgh, B. B. Corbin was given the Supernumerary relation. With the same recommendation and upon motion of S. J. Manning, H. H. E. Pohl was granted the Supernumerary relation. Notice was also given that H. H. E. Pohl would be requested to locate in a year.

Question 26 was called: "Who are the Retired Ministers?"

Upon motion of R. L. Weldon, L. E. Gower was granted the Retired relation.

Question 16 was resumed and the Bishop announced the transfer of W. E. Blackstock to the New Mexico Mission Conference.

Question 26 was resumed and the following in the Retired relation had their characters passed and were continued in the Retired relation: G. L. Harper, J. W. Lively, F. W. Loy, T. J. Shrode, S. H. Yockey and W. T. Stokes.

Question 28 was called: "Who are the Triers of Appeals?"

Upon motion of C. W. Rodgers the following were made Triers of Appeals subject to confirmation by the merged Conferences: W. B. Van Valkenburgh, C. L. Elliott, W. L. Froehner, C. W. Schlechte, E. T. Hagberg; alternates: E. E. Schmidt, H. Sandstrom.

C. W. Rodgers read the report for the Evangeline College in which it was stated that the College had been merged with the Blinn Memorial College and all assets turned over to the same. The report was adopted.

The following were appointed a committee to liquidate additional debts of Evangeline College amounting to about \$800.00: P. W. Beck, Chairman, H. C. Leonard, Sec'y. and Treas., R. L. Weldon, W. R. Ward, H. K. Faulk, W. B. Van Valkenburgh and C. R. Robinson.

Adjourned with benediction by Bishop Mead.

At the noon hour announcement was made that the Journal would cost one-half of one per cent of the total cash support if all members of the Conference would meet the asking, that the secretary had been in the hole on the Journal ever since he had had the fun of it.

Dr. C. B. Spencer, Editor of the Central Christian Advocate, addressed the Conference.

FOURTH DAY

Saturday, December 4th, 1926.

The three Conferences, the Southern, the Gulf and the Southern Swedish Mission Conferences, convened in joint session at 9 o'clock with Bishop John L. Nuelsen presiding. Hymn "O for a Thousand Tongues" was sung. Bishop Waldorf talked on "We Shall Not All Sleep" or "Thrills."

Bishop Nuelsen declared the purpose of the meeting: that the Conferences met as a committee of the whole.

The secretary of each Conference called his roll and the members of each Conference were introduced.

Phil Deschner read the Journal of the Joint Commission on Merger.

Bishop Mead read the Declaration of Merger to be adopted by each Conference and signed by the presiding Bishops. (See Journal of afternoon session).

The same was unanimously adopted and referred to the individual Conferences for adoption.

It was recommended that the plan for pooling the traveling expenses be referred to the following committee: T. J. Shrode, A. D. Moehle and E. J. Anderson.

The Boards and Committees recommended by the Joint Cabinets were read by Phil Deschner and adopted. (See Boards and Committees).

Upon recommendation of the Joint Cabinet and Committee on Merger the Board of Bishops was requested to place the merged Conference in the Kansas City Area and that the Conference be not classed as a language Conference.

C. B. Spencer, Editor of the Central Christian Advocate, was introduced and addressed the Conferences.

Upon motion of M. M. Culpepper the Conferences approved the holding of a Summer School of Theology and referred the same to the Board of Examiners.

Bishop Waldorf upon the request of Bishop Nuelsen became at this time the presiding Bishop.

Upon invitation, Houston, Texas was selected as the place for holding the next Annual Conference.

The Preacher's Aid Society of the Southern Conference was endorsed. The following were introduced and briefly spoke: Miss Ella Watson, for the W. F. M. S., Miss Eunice Britt for the W. H. M. S., Charles R. Oaten for the Board

of Pensions and Relief, A. J. Loeppert for the Epworth League, J. A. Dickmann for the Board of Hospitals and Homes, R. V. Johnson for the Board of Temperance, Prohibition and Public Morals, and R. E. Gornall of the World Service Commission. Bishop Mead presiding.

The League Institutes at Brenham and the Southern Swedish at Austin were approved.

A temporary committee consisting of W. R. Ward, C. W. Rodgers, O. Kattner, O. C. Raeke, F. L. Hagberg and Joseph Karling was appointed to confer with R. V. Johnson regarding the Prohibition Declamation Contests.

• Adjourned with benediction by Bishop Nuelsen.

Saturday Afternoon

The Gulf Conference convened at 2 o'clock with Bishop Waldorf presiding.

Journal of previous session was read and approved.

Question 31 was called: "What is the Statistical Report?"

The report of the Statistician was read by C. L. Elliott and referred to a special committee consisting of R. T. Pynes, L. E. Gower and H. K. Faulk—not because of any fault of the statistician, but because a number of charges had not been reported. (See reports).

Question 32 was called: "What is the Conference Treasurer's Report?"

The report of the treasurer was read by W. R. Ward and was adopted. (See Treasurer's report).

A special committee consisting of C. R. Robinson and H. C. Leonard was appointed to care for delayed statistics for the treasurer's report.

Question 33 was called: "(a) What is the aggregate of the Benevolent Collections ordered by the General Conference, as reported by the Conference Treasurer?" Answer, "\$10,069.00."

"(b) What is the aggregate of the Benevolent Collections ordered by the Annual Conference, as reported by the Conference Treasurer?" Answer "\$3,121.00."

Question 34 was called: "What are the claims on the Conference Funds?" For annuity distribution 230 years multiplied by the Disciplinary rate of \$18.00 per year, \$4,140; for necessitous distribution, \$1,000.00; total, \$5,140.00.

Question 35 was called: "(a) What has been received on these claims?" From the Book Concern, \$322.00; from Annual Conference Investments, \$74.48; from Chartered Fund, \$40.00; from Pastoral Charges, \$1,717.00; from Board of Pensions and Relief, \$800.00; from other sources,; total, \$2,953.00.

L. E. Gower read the report for the Conference Board of Stewards. The same was adopted (See Report).

The Conference ordered that P. W. Beck and R. L. Weldon be a committee to confer with the Southern and Southern Swedish Mission Conferences to arrange for proper asking for the Conference Claimant's Fund.

Question 40 was called: "Where shall the next Conference be held?" Houston, Texas.

The Conference authorized the Bishop and Secretary to sign proper papers to validate the sale of the Vinton property. The same was thereupon done after the paper had been drawn up by C. W. Rodgers and R. T. Pynes.

P. W. Beck, W. B. Van Valkenburgh and L. E. Gower were appointed a special committee to confer with a committee from the Southern Conference to harmonize the reports of the assets of Evangeline College. The following report was brought in and adopted: "It is the sense of the joint committee raised in the Southern and Gulf Conferences for the purposes of appraising the liquidated assets of the Evangeline College which have been transferred to

the Blinn Memorial College that the following is a fair valuation and inventory of such assets:

Books, desks, maps.....	\$400.00
Chemicals and apparatus.....	100.00
Cash	387.50
Pledges	7404.41
Total.....	<u>\$8292.91</u>

An expense of \$1928.00 has been incurred in the above transfer. (Signed) P. W. Beck, L. E. Gower, W. B. Van Valkenburgh, F. H. Miller, E. F. Schuessler and W. C. J. Marquet."

On motion of R. L. Weldon the cash support of the District Superintendents was placed at \$2250.00 minimum.

All papers were ordered placed in the care of the secretary.

The Conference concurred with the plan of the Finance Committee of the Southern Conference to have special offering in the churches for traveling expenses to and from the Conferences. This would enable the aged and poorly paid preacher to attend.

The Secretary was authorized to edit the Journal and the same when published to be considered the official acts of the Conference.

Upon motion of H. C. Leonard the following resolution was adopted: Whereas the Gulf Annual Conference of the Methodist Episcopal Church in obedience to the authority granted as stated in the Discipline of 1924, Paragraph 518, Sections 9 and 23, where the said Conference is to merge with the Southern Conference, therefore

Be it resolved that we, the Gulf Annual Conference, do hereby grant, transfer and convey all property, real, personal and mixed, of whatever kind and wherever situated, for the use of the Methodist Episcopal Church, including real estate and improvements, chattels and funds to the Southern Annual Conference of the Methodist Episcopal Church as constituted by the union or merger of the Gulf, Southern Swedish Mission and Southern Conferences, and

do hereby instruct and empower the Conference Board of Trustees of the Gulf Annual Conference to execute such and whatsoever papers as may be required, and that a committee of three be raised to carry out the provisions of this resolution and that the trustees of the several schools and organizations in the Conference are authorized to make such adjustments as necessary to become properly related to the Southern Conference.

The Bishop, in compliance with the above resolution, appointed as the special committee, H. C. Leonard, C. R. Robinson and M. M. Culpepper.

Upon motion of C. W. Rodgers the following *Declaration of Merger* was unanimously adopted:

In response to the request of the Gulf Annual Conference of the Methodist Episcopal Church as stated in the Gulf Annual Conference Journal, Edition 1923, page 24 as follows:

"Whereas, there could be marked economy in money and time and decidedly more influence and efficiency, therefore

We, the members of the Gulf Annual Conference do hereby memorialize the General Conference to enable the Gulf Annual Conference to unite with the Conference now known as the Southern German Conference."

The General Conference of the Methodist Episcopal Church held in Springfield, Massachusetts, 1924, passed the enabling act recorded in the Discipline of the Methodist Episcopal Church Edition 1924, page 435, Par. 518, Sec. 9, as follows:

"Gulf Annual Conference and Southern Annual Conference during the next Quadrennium may unite under the name of the Southern Conference under the usual Disciplinary conditions," and the General Conference by enabling act recorded in the Discipline Edition 1924, page 437, Sec. 23: "Southern German Conference is hereby authorized to change the name to Southern Conference, the change to go into effect immediately and to appear in all printed reference to said Conference."

The Gulf Annual Conference of the Methodist Episcopal Church hereby agrees to unite on December 4th, 1926, with the Southern Annual Conference, and further agrees to and does hereby transfer, convey all property, real, personal and mixed of whatever kind and wherever situated for the use of the Methodist Episcopal Church to be held by the Southern Conference of the Methodist Episcopal Church.

Furthermore the members of the Gulf Annual Conference of the Methodist Episcopal Church agree to be and are hereby transferred into the Southern Annual Conference of the Methodist Episcopal Church, and also that all the rights and privileges of the members of the Gulf Annual Conference, together with all the rights and privileges of the widows and minor children of deceased members of the Gulf Annual Conference be transferred to and maintained by the Southern Conference of the Methodist Episcopal Church.

Also, under the privilege granted by the General Conference of the Methodist Episcopal Church held in Springfield, Massachusetts, in 1924, as stated on page 394, paragraph 511, Sec. 3 of the Discipline of the Methodist Episcopal Church Edition 1924, as follows:

"No division or absorption of Annual Conferences or Mission Conferences, or the organization of new Annual Conferences, out of territory already occupied by organized Conferences, shall be effected, until the General Conference shall have approved such division, absorption or organization; except in the case of Central Conferences and Central Mission Conferences as provided for in Paragraph 95, Sec. 2 (12) and 95A, Sec. 2 (10); and foreign language Conferences, Mission Conferences, Missions, Churches or Mission Centers in the United States, being merged with or transferred into English speaking or other Conferences."

The Southern Swedish Mission Conference of the Methodist Episcopal Church does hereby agree and merge with the Southern Conference of the Methodist Episcopal Church on December 4th, 1926, and further agrees to transfer and convey all property, real, personal and mixed of whatsoever

kind and wherever situated held by the Southern Swedish Mission Conference, to be held by the Southern Conference of the Methodist Episcopal Church.

Furthermore, it is agreed that all members of the Southern Swedish Mission Conference shall be hereby transferred to the Southern Conference of the Methodist Episcopal Church, and that all rights and privileges of the members, together with all the rights and privileges of the widows and minor children of deceased Ministers of the Southern Swedish Mission Conference of the Methodist Episcopal Church be transferred to, and maintained by, the Southern Conference of the Methodist Episcopal Church.

Now, therefore, we, John L. Nuelsen, Ernest L. Waldorf and Charles L. Mead, do hereby declare that said union and merger is now effected, and that the provisions of this document shall become binding and effective with all obligations contained in the agreements as made by the various Commissions appointed by the several Conferences named therein to plan for said union and merger.

In pursuance of which we attach our signatures, and upon all the work of the Kingdom of Christ affected thereby we reverently invoke the blessing of Almighty God.

(Signed) JOHN L. NUELSEN,
President, Southern Annual Conference.

(Signed) ERNEST L. WALDORF,
President, Gulf Annual Conference.

(Signed) CHARLES L. MEAD,
President, Southern Swedish Mission
Conference.

(Note—Signatures of the Bishops were attached December 5, 1926).

The Journal of the joint session held the morning of December 4th was adopted as a part of the record of the Conference.

The Cabinet of the merged Conference was empowered to appoint new Committees. (See committees).

Adjourned subject to the call of the Bishop. Prayer by F. V. Johnson.

At the supper hour Bishop John L. Nuelsen called the Conference to order. Bishop Waldorf stated World Service conditions. Bishop Mead made statement concerning Evangelism and Bishop Nuelsen regarding conditions in Europe. The Conference resolved to make an increase of ten per cent in World Service offerings and Church membership.

Each Conference under its own Bishop adopted the following items:

1st. That enough copies of each Journal be printed to supply each member of each Conference with a copy.

2nd. Ordered that all abandoned property be listed in its Journal. A committee, L. E. Gower and H. K. Faulk, was appointed to see that it was done for the Gulf Conference.

Sunday, December 5th, 1926

On Sunday morning in the Trinity Methodist Episcopal Church, Bishop Charles L. Mead preached from Hebrews 2:17, his subject being: "Christ, the Representative Redeemer."

In the afternoon, Bishop Waldorf gave a vivid account of his trip to the Conferences in Europe.

At 8:45 in the evening, Bishop Waldorf called the Conference to order. Bishop Mead read the transfer of the entire membership one by one of the Southern Swedish Mission Conference into the Southern Conference. They were welcomed one by one by Bishop Nuelsen. Bishop Waldorf then transferred the entire membership of the Gulf Conference one by one into the Southern Conference. They were welcomed one by one by Bishop Nuelsen.

Then representatives of each Conference, O. E. Olander, Phil Deschner and H. C. Leonard were called inside the altar while three little girls dressed in white carried up the aisle a wreath of white and gold flowers. This wreath was placed about the representatives of the Conferences by Bish-

ops Nuelsen and Mead. Then all ministers joined hands and sang "Blest Be the Tie."

Brief addresses were given by each of the three representatives. Bishop Mead read the Declaration of Merger. This was unanimously adopted by the merged Conference and signed formally by each of the three Bishops. Prayer was made by J. A. Traeger.

The appointments (see appointments) were read by Bishop Mead and prayer was made by Bishop Mead.

Ernest L. Waldorf

Presiding Bishop.

I have carefully read the record of the proceedings of the Gulf Annual Conference from the proofs and do declare that this printed Journal is a correct record of the actions of the last session of the Gulf Annual Conference of the Methodist Episcopal Church.

Secretary.

REPORTS

HOUSTON DISTRICT.

C. R. ROBINSON, *Superintendent.*

The work of the district has been without interruption by sickness or death among the workers. Only two Quarterly Conferences were missed by the Superintendent on account of sickness.

There is a marked change in the manner of serving the district now and five years ago. Then a number of the Charges could be reached only by wagon transportation over ungraded roads. Now graded and gravel roads are the rule. Then few of the preachers had cars; now, almost without exception the pastor drives his own car. While this has added much to the efficiency of the pastor, it has also increased his expenses and in too many cases there has not been increase of salary sufficient to cover the added burden. Mercantile firms furnish their men cars. Why should those representing the King's business be less favored?

Special meetings that resulted in the gathering of souls from the world were held at Deadwood and Bethel by pastor Laning; at Noonday and Wesley by pastor Hughes, and at Jefferson by pastor Baker, who was assisted by brother R. T. Pynes.

Last Conference Carl Fromen was appointed to Hughes Springs, but failed to go to his appointment, but the Charge has been most acceptably filled by Doctor C. M. Hollett of the Ohio Conference.

Noonday and Wesley, left to be supplied, have been served efficiently by C. P. Hughes and wife, both graduates of Wilmore College and native Texans. Rockhill has been supplied by R. T. Pynes who also took Sabine Circuit when E. McLain for the second time in two years became inoculated with the Oklahoma microbe, and left us. Brother Pynes has proved himself to be a man who can spread over much ground without becoming too thin to show. Clifford T. Nunn was unable to care for South Houston, so H. C.

Leonard, assisted by O. R. Fischer, has cared for the place.

E. N. Potts left Texas City to attend school, his place being taken by W. J. Bennington of the Colorado Conference.

W. E. Blackstock left San Antonio for health reasons, and M. M. Culpepper of the St. Louis Conference filled out the year.

In the early days of Methodism John Wesley said a Methodist preacher ought to be ashamed to want to stay longer than six months in a place. Many of our preachers are in this apostolic succession.

A new commodious parsonage has been built at Noonday and paid for. Wesley Church on the same charge has been renovated at an expense of about six hundred dollars, all provided for. The pastor, C. P. Hughes, comes to us for admission on trial and has proved himself a worthy son of a Methodist itinerant. Blood will tell.

C. W. Mann has built a fine parsonage at Ford on the Lufkin Charge. His work this year would read like a romance.

An outstanding work has been done at Collins Memorial, Houston, where the illy located property in the middle of a block has been sold and a new location bought on a commanding corner which gives the Church a property with twenty rooms at an expense of only about four thousand dollars, which is being rapidly paid. Leonard's people believe in his leadership and have asked for his return for another year.

The debt on Trnity, San Antonio, has been decreased by two thousand dollars, and much needed repairs made on the parsonage.

Pearland has installed a new light system, painted the Church and laid a new walk in front of their property.

Jefferson Church has been much improved by a liberal use of paint.

The capacity of Deadwood Church has been much increased and a community hall with acetyline lighting system for the whole plant has been paid for.

A parsonage debt of long standing was paid at Marshall. The parsonage lot at Woodville was cleared of debt.

On November sixth the superintendent dedicated the new Church at Hopewell free from debt, thanks to the financial leadership of pastor Laning.

At the beginning of the year La Porte joined a federation of four churches in La Porte and while the church is largely lost to us for the present, the community is more cheaply served while the larger interests of the Kingdom suffer.

The Woman's Home and Foreign Missionary Societies show an healthy advance. Until the slump in cotton struck us, indications were favorable for an increase in World Service, but now we will do well to hold our own.

The Epworth League Institute held at Brenham was a marked success under the leadership of Brother Breihan. Plans are laid for a much larger work next year. It is already proven that in union there is strength.

Grateful for the fellowship I have had with my brothers and with my Lord, this report is respectfully submitted.

C. R. ROBINSON.

LAKE CHARLES DISTRICT.

W. B. VAN VALKENBURGH, *Superintendent*.

Gentlemen:

When I came on the district last June, a year ago, I found the charges greatly disorganized, our people much discouraged, and many of them talking of looking elsewhere for pastoral supervision and leadership; at least one-half of the charges on the district had never seen the new District Superintendent, and now six months had elapsed, the churches of other denominations were freely and openly bidding for our people, and many rumors were rife that we had abandoned the work. This hostile attitude and antagonistic sentiment had to be overcome, the lethargic and indifferent had to be spurred into new and active partici-

pation in a live and forward looking church program. In reciting the devious pathway along which the Gulf Conference has come since our Bishop Waldorf last presided, no report would be complete without a rehearsal of the conquests and defeats with which the men have been faced. The burning of the college building at Basile, La. left us no other courageous course open than a campaign to rebuild. This was duly undertaken under the guidance of Dr. Louis M. Potts. The goal was set for \$45,000.00, but the close of the campaign showed cash and pledges totaling \$50,000, and with 10 acres of ground and twenty thousand dollars more as a bonus to move the school to Opelousas. The Evangeline Preparatory School of Basile became the Evangeline College of Opelousas. But lo, months before the closing commencement exercises the word was heralded abroad that the school would be forced to close its doors. This announcement coming when, and as it did was most distressing, and in its effects most calamitous. Happily for all interested parties, our resident Bishop came to the rescue, the disaster was averted, a happy union was consummated; and Blinn Memorial College of Brenham, Texas, became the fortunate recipient of such collateral as could be salvaged. Rev. C. W. Rodgers deserves much credit for caring for this interest for the past five months.

ADVOCATES.

The Central Christian Advocate has a large place in the homes of our people and is to be greatly commended for the gifts and graces of its versatile editor, Dr. Claudius B. Spencer. One hundred and ninety-five new subscribers within the bounds of the Lake Charles District emphasizes the fact that with only 1941 members on the District we have secured our district quota of subscribers.

WORLD SERVICE.

Last year our receipts to World Service showed a marked gain of nearly one thousand dollars over the previous year; but more remarkable still is the apparent gain of the

current year: From October 1925 to October 31 of this year the bulletin just issued from our World Service office in Chicago shows a gain of \$1,442.00.

INSPIRATIONAL (GATHERINGS) ASSEMBLIES.

The Pastors and the District Superintendent held a very helpful and stimulating District Conference at De Quincy March 11 and 12. The ladies of the DeQuincy church entertained the visiting ministers free to them of any expense, and most royally. This was followed in the fall by the District Epworth League Institute, held in Welsh on September 10, 11, and 12. Here, too, we had a most successful and helpful institute. The young people of the District constituted the delegates, and the District Superintendent had here the most cordial and loyal support of pastor and young people of the Welsh church. Much praise might be well bestowed upon the committees here for most gratifying results.

Our Mission Boards will find as fertile and as responsive a field for Christian endeavor within the bounds of the Gulf Conference as in New England or elsewhere; and while we freely admit that frequent visits and constant watchcare of our connectional men in caring for and cultivating these other fields may yield adequate returns, yet we wish to record our firm and growing conviction that a like interest and care for the far-flung battle front scattered throughout the Southland, and especially within the bounds of the Gulf Conference will more than make adequate returns.

THE CHURCHES.

Auburn and Gloster: They have 15 new subscribers to the "Central" and have sent in \$19.00 for World Service. They have asked for the return of their pastor for another year.

Bayou Chene and Indian Village: Brother John A. Barbay of the village has built a new 5-room cottage house at a cost of \$1200.00 and offered the church the free use of this house if we would secure them a resident pastor,

and the village would give monthly an amount equal to the rental value of the house. A local preacher, Rev. M. E. Kingsland, from Grace Church, Fort Scott, Kans., was secured and placed in charge. At Bayou Chene, after carefully canvassing the field, have decided to rebuild, using all available materials from the old church, in the new building. Their plans call for a modern country church house of stucco finish. Eight hundred dollars have already been raised and placed on deposit in the Plaquemine bank. A donation of one thousand dollars from our board of Home Missions and Church Extension could hardly be better placed anywhere. Inaccessible to the outside world, hemmed in by a veritable network of bayous and lakes, they have nevertheless maintained the preaching services and Sunday School for the past thirty years. No high powered automobiles carry them to church, but instead everybody goes to church by boat. Six new subscribers to the "Central" keep them informed as to what our church is doing elsewhere. They have requested the return of their pastor for the coming year.

Elton: This church, always loyal, will bring up a good report. 11 new subscribers to the "Central", a fine bunch of young people, and a good Epworth League. A memorial gift to renovate and repair the church building from our board of Church Extension would greatly hearten the church and would add a new laurel to the towns-people's interest in our church and its work. Mrs. Ruth Warren Oveson, from Osage City, Kans., was secured to fill out the year, after Rev. Luther Lyons accepted the invitation of the Kinder church to become their pastor.

Ebenezer: Has had a good year, they have a good Sunday School, a fine Epworth League, and gave \$46.00 to World Service and added 12 new names as subscribers to the "Central." Rev. W. C. Roberts, a local preacher, served them well for the year, but asks to be released at Conference time to return to his farm. They will want a resident pastor.

DeQuincy: Has had a most remarkably successful year under the leadership of Rev. R. L. Weldon. A Sunday School of 175 members is superintended by J. D. Hayes. Their missionary Easter offering was \$85.00. The School paid \$193.00 to World Service. A rousing, big and unanimous fourth quarterly conference vote was given by the church officials for the return of their pastor for another year.

Kinder: Stands at the cross-roads; it is a valuable outpost, and since the death of their pastor, Rev. F. J. Ensign, they have been most efficiently served by Rev. Luther Lyons; 10 new subscribers to the "Central" keep them abreast of the times. They have asked for their pastor's return for the coming year. \$25.00 was sent in to the World Service.

Iowa: At the death of their pastor, Rev. F. J. Ensign, the officials of the Iowa Church asked that Rev. S. H. Yockey be sent to supply out the conference year. This was done and so acceptably has he and sister Yockey wrought that \$139.00 will be remitted for World Service, 7 new subscribers secured to the "Central", and most remarkable of all, \$2300.00 has been raised and placed in the Calcasieu National Bank towards a new church building. Brother A. K. Davis deserves great credit for this happy consummation. A most worthy allotment from our board of Home Missions and Church Extension would be a donation of \$1,000.00. Needless to say the Iowa people are expecting the Bishop to return Brother Yockey for another year.

Jennings: Has hardly held its own. Some day a new church spirit will urge our Jennings church into its rightful place. 15 new subscribers to the Central were secured by the pastor. \$275.00 raised for World Service. Rev. Chas. L. Elliott is the pastor. The return of the pastor for another year by the fourth quarterly conference has been requested of the Bishop.

Loranger: Is most acceptably served by Rev. J. L. Irvin. Six new subscribers to the "Central", and eight World

Service News subscribers were secured; \$100.00 paid to Wold Service.

Weaver and Shamrock: R. G. Swanson is the pastor here; 18 new subscribers to the Central were secured and \$73.00 sent in for World Service. They have a good Epworth League, and a fine Sunday School.

Sweet Lake and Gueydan: The Sweet Lake Church has finally settled upon a church site agreeable to all, and they have determined to build. \$1,000.00 in good subscriptions have been secured but they will need outside assistance before their dreams come true. Our board of Home Missions and Church Extension can well afford to investigate and to invest in this most loyal group of church people. Gueydan has long been served by the same pastor and both churches are unanimous and insistent that their pastor be returned to them for the coming year. Rev. Wm. B. Hebert is their pastor. He has 9 new subscribers to the Central and \$200. for World Service; also 12 subscribers to the World Service News. In a most difficult field and under the most trying circumstances our brother has wrenched victory from seeming defeat.

Lutcher: Just a brief summary of work accomplished here will help one to realize the caliber of minister and people: Ministerial support is in full: Pastor \$1080. (cash); D. S. \$120.00; Conference Claimants, \$96.00; Bishops, \$15.00; General Conference, \$9.00; Printing Minutes, \$6.00. The benevolences are as follows: World Service, \$210.00. To the Woman's Board of Foreign Missions, \$148.00; the Ladies Aid raised \$150.00; full members 28; and nine subscribers to the "Central." Rev. T. J. Shrode is the beloved pastor, and needless to say unanimous request for his return is emphasized by the declaration of his people that no one else can take his place.

Quitman: Here we have a small but growing congregation of most loyal, and delightfully hospitable people who believe in the church and her mission of healing and salvation. They have been served at some disadvantage as the pastor, Rev. D. X. LaGrone, has been forced by cir-

cumstances to live elsewhere. They greatly need and desire the personal supervision of a resident pastor.

Church of the Redeemer (First Italian of N. O.) : Here is a most difficult and trying situation. For a number of years our Italian church has had the loyal support and co-operative efforts of the Woman's Home Missionary Society in its work. The community settlement house, owned and financed by these delectable ladies had increased its staff of workers, and its annual budget until it had five paid workers—the Superintendent of the Home, the Boys work director, the visiting nurse, the Superintendent and one assistant of Kindergarten. The annual allowance constituted a budget of five thousand dollars. Suddenly and without any previous notice or warning of any kind to our church authorities, these good sisters decided to close up the work, dismiss their staff of workers, and sell their property, the community settlement house. This was done, and last July the work ceased. To try to tell here the baneful results of such precipitate and unheralded a course of action could not adequately be done. Italian mothers who long had been used to coming here with their small children were denied admittance, all privileges were suddenly cut off, and these mothers were turned elsewhere for assistance and friendly advice. I am only saying that such action by any connectional board should be carefully safeguarded and well advised. Brother Palmissano has gone forward the balance of the year very much handicapped. He stands well with the Italian people of his city, and should be returned unless the Bishop has a younger man to place in his field.

Welsh: This church is preeminently the premier church of the Lake Charles District, if not of the Gulf Conference. We now have twenty-eight Centrals. There are three subscriptions to the Epworth Herald. The World Service News comes into about seventy-five homes. We have among our membership and constituency thirty young men and women attending school outside of Welsh. The Epworth League sponsored and carried the burden of a Dis-

trict Institute, the first ever held in this District in its history. It was a pronounced success. The young people's societies of the church have been active throughout the year and it is not hard to see an increased interest among the whole church in young people's work. The total cash giving for the year to all causes will approximate \$17,359. or a per capita giving of \$60.00. The Rev. Percy W. Beck, the pastor, has won a place of highest esteem within our midst. Brother Beck was kept out of the work for seven weeks by typhoid fever. The officary of his church gladly and courageously shouldered the burden of financing this case, placing a day and night nurse in the parsonage home to care for their minister; but they also saw that the pulpit was regularly supplied.

Lake Charles: Rev. Haughton K. Faulk is just closing up his second year's work in splendid shape. He is respected by the townspeople, and loved by his people. During these two years the church has had a substantial and steady growth. Twenty-one Central Christian Advocates are taken; the Ladies' Aid has raised and disbursed \$505.00; a men's club, so organized as to assemble every Sunday morning to study together the word of God greatly strengthens the pastor's hands. Mr. Geo. M. King is the president of this fine organization, and S. O. Scoggins the vice-president. They meet monthly in the parish house and enjoy together a supper, and have some notable speaker deliver the address of the evening.

The fourth quarterly conference requests our resident Bishop to reappoint Rev. Haughton K. Faulk as pastor of Simpson Methodist Episcopal Church for another year.

THE HEALTH OF THE MEN AND THEIR FAMILIES.

In August for four weeks brother and sister Cassells were constant attendants at the bedside of their little daughter, 8 years of age, who was committed to a specialist of bone diseases in the Natchez Sanitarium. She hovered near the borderland for days and nights, but is now home fully on the road to recovery.

On July 20th, the Rev. Frank J. Ensign, after a long hard struggle, and five months' absence from his pulpits, passed on to the Glory Land. Brother Ensign was an honored member of the Gulf Conference and for sixteen years valiantly served the Christ he loved on the charges of this Conference. "Servant of God well done; rest from thy loved employ."

The District Superintendent has issued an appeal which was sent out to the members of Conference for funds to help liquidate an outstanding mortgage of \$500.00 on the home left in Jennings to the wife and children. In response to this appeal I have received \$147.00 which is now in a Lake Charles Bank subject to the order of the Conference Board of Stewards.

On Sunday morning, October 31st, while I was away from home, at Bayou Chene, the aged mother on her way to the Simpson Church, fell and broke her right arm. She has since been in the Sanitarium, with day and night nurses in constant attendance. For days she suffered excruciating pain and no one was allowed to see her or enter her room but the doctor and nurses. Thanks to our Heavenly Father, she now seems safely on the road to recovery; and while still with two nurses in attendance, the outlook is more hopeful.

The hearty support and co-operation of my brethren have made all good things possible on the Lake Charles District; and with a new sense of appreciation for the work in which we are all engaged, and a new vision of possible achievements ahead, I thank God and take courage.

WM. B. VAN VALKENBURGH, *District Supt.*

RIO GRANDE VALLEY DISTRICT.

S. J. MANNING, *District Superintendent.*

To Bishop Waldorf and the Brethren:

I rejoice in the privilege of meeting here, with the ministers of the Rio Grande Valley District, to give an account of our "Stewardship." We have not accomplished all we hoped for, but we have done our best.

HEALTH.

Dr. and Mrs. Gower suffered a nervous breakdown a few months after they returned from Conference.

Sister Gower was first taken sick. She was in bed for several months. The strain of caring for her, and trying to answer the call of the demands of the Charge, Brother Gower's nerves also gave away. He should have taken his bed but he did not. His members at Sebastian most graciously came to their rescue. The doctors, after several months, succeeded in restoring their health sufficiently for them to resume their pastoral duties the last few weeks of the year. During this time Dr. Gower solicited and collected money enough to put up a building, 28x38, and conducted a revival meeting, closing Nov. 28th.

But there was another upon the District who has become the closest friend I ever knew, of whom it is my duty to speak. This friend, after 3½ years in a very difficult field, also had a nervous breakdown. After she had been in bed for six weeks, she got up and went into Oklahoma and Kansas on a vacation. The continuous care of a physician, who is a specialist, made possible a very much improved condition and her presence at this Conference. I refer to the patient Mrs. Manning.

CHANGES.

There has not been a change in the District during the year. Lyford was left to be supplied, but Lyford was without services only for a few services. Rev. Harry Peacock was secured early in the year, to serve the charge. Rev. Peacock comes to us from Haverland, Kansas. He has served this work most satisfactorily.

EVANGELISM.

We have had good revivals over the District. There were a number of conversions, but the main work was done in the church.

IMPROVEMENTS.

Rev. Harry Peacock, at Lyford, seated the church or place of worship, at the cost of \$350.00.

Dr. Gower, at Sebastian, has put up a building, 28x38 costing \$1100.00. This splendid piece of work is a showing of the ability of the pastor to solve a real problem.

RETROSPECT.

The year has passed. We have not asked for the task to be easy. The problems have been weighty. Some of them have been insurmountable. But a kind Providence has led us all the way. A good spirit pervades the District with the pastors and the people. We all speak together: we wish we could have done more. But under existing conditions, we did our best. Our highest ambitions are to see that valley of pleasures become a valley for God.

PROSPECT.

We face difficult problems. New towns are springing up in many sections of the country. New railroads are coming in. Pleasure resorts are going in everywhere, seeking to overrun religion and the sacredness of Sunday. With shortage of preachers, with shortage of money, with the hardest crop year in the Valley for years, we realize that we have a man's job. Some have done double duty. Some have worked overtime. None have received extra pay. But I am glad to say it has all been done without a word of complaining. But this cloud has a most beautiful lining: Boys and girls have been converted; parents have been made happy; pastor and people have rejoiced together in the good work of the Master's Kingdom. In the very near tomorrow, we visualize the Valley giving in returns, 30, 60 and 100 fold. We do not care for an easier job, but we do pray for the men and money, that the field demands, if the harvest is cared for.

We believe that the church must put on a program that will keep pace with other developments, if we take our place in the Valley as we should.

Sincerely submitted,

S. J. MANNING, *District Supt.*

PORT ARTHUR COLLEGE.

Port Arthur, Texas, December 1, 1926.

To the Annual Conference, Methodist Episcopal Church,
San Antonio, Texas.

Gentlemen:

A copy of our annual report to the Board of Trustees, together with the Auditor's statement of the financial condition of Port Arthur College are on file with your Board of Education at New York City. Our annual report to the Board of Education has also been made.

We will in a brief way give to you a summary of the progress and activities of Port Arthur College since the meeting of your conference last year.

Our enrollment for this year to date is an even 300. This is a considerable increase over that of last year.

Our student body represents the highest type of intelligence—practically all being high school graduates. This is not true of other business colleges.

As a result of catering only to the better class of young people, our discipline has been the very best. The girls in the Dormitory have been lady-like in every respect. We feel that we should be proud of the personnel of our student body as a whole.

Our Faculty consists of teachers who are doing excellent work. This has been demonstrated by the success of our graduates. Our teachers are always working for the very best interest of the school, putting forth every effort to make a greater and better Port Arthur College. The organization as a whole is working in perfect harmony.

During the year we have added to our curriculum a course of Radio-Wireless Telegraphy. Port Arthur College is a logical home of such a department. This has been thoroughly demonstrated by the rapid growth of the department. Although it has only been in existence four months, we now have an enrollment of 27 students for this one department. This department will show a very rapid increase within the next few months. We now have an equipment in the department valued at approximately \$2,000.00.

We have also added a course of Business Administration & Finance. This course is proving very popular with young men and women who desire to prepare themselves for the better positions. This department has the endorsement of many Certified Public Accountants and we feel assured that it will serve the demand for young men and young women who are better prepared for this class of work.

In addition to having met all of our necessary expenses, we have cleared and paid in full all accounts against the school. Our annual report May 31, 1926 showed improvements to the amount of \$2,358.00 on buildings and grounds. Since that time we have placed a new roof on the dormitory at the cost of \$1,600.00. Other repairs and replacements amount to approximately \$1,000.00, making a total of more than \$6,000.00 spent for repairs, replacements and improvements within the last twelve months.

We are very optimistic as to our future enrollment and we see nothing but success in store for the institution in 1927.

The following were elected Trustees of Port Arthur College at the annual meeting held June 5, 1926, subject to confirmation at the Gulf Conference to be held December 1 at Austin, Texas:

H. K. Faulk	F. E. Gifford
C. R. Robinson	W. H. Smith
G. M. King	E. E. Hoffpauir
Bishop E. L. Waldorf	

In conclusion, we wish to thank the Board of Trustees, Board of Education and your Conference for co-operation during the year. With the continuation of this co-operation on the part of all concerned and with the proper management, nothing can keep Port Arthur College from becoming one of the largest institutions of its kind in the country.

Respectfully submitted,

A. B. CHENIER,
President, Port Arthur College.

RESOLUTIONS.

We, the members of the Gulf Conference, deeply appreciate the splendid welcome that we have found in Trinity Church and in the homes of San Antonio. Brother Culpepper and his company of loyal men and women have provided for our creature comforts in the most careful and complete way.

We commend the local press—The Express, the News and the Light—for the full and accurate reports of the Conference.

We have been favored by the presence of C. R. Oaten, C. B. Spencer, T. E. Gornall, A. J. Loeppert, W. B. Fleming and Miss Watson and Miss Britt, who through their messages have given both inspiration and vision.

The presence of our chief pastors, Bishops Nuelsen, Waldorf and Mead, with their kind co-operation and wise guidance in the consummation of the union of these three Conferences enables us now to build with united heart and hand. With deep gratitude we have listened to these leaders and pledge our allegiance and loyalty in exalting our Christ and His Church.

H. C. LEONARD.

PLAN OF CONFERENCE EXAMINATIONS

CONFERENCE STUDIES FOR TRAVELING PREACHERS

As Prescribed by the Discipline of the Methodist Episcopal Church, 1924, Appendix, ¶ 620

§1. DIRECTIONS FOR STUDENTS AND EXAMINERS.

Special attention is called to the "Directions and Helps" as listed in the Course of Study for Traveling Preachers. For each subject in these courses there is a separate pamphlet giving the student the necessary directions for his work and help in his study. They indicate also the written work which must be done in connection with each subject, including the "Collateral Reading and Study." This written work is a part of the required course equally with any of the books to be studied. These pamphlets are bound together in one volume for each year listed as the "Directions and Helps." This volume is to be ordered by the student from the Book Concern with his other books.

Conference examiners must have these "Directions and Helps" in order to carry on their work. At the beginning of each quadrennium a set of these is furnished to each registrar for free distribution to the examiners. It is the duty of the registrar to forward to each examiner the pamphlets which bear upon the books assigned to the latter. If extra supplies are needed later, they must be purchased by the Conference Board from the Book Concern. The Commission does not handle the Directions and Helps. The new edition for the quadrennium will be distributed through the registrars as soon as issued.

MEMOIR

FRANK J. ENSIGN

The intrinsic worth of a life lived in its right relationship to God and man cannot be measured by earthly standards. The Lord of all will reward his servants even as their faith has crystalized in holy living and useful purpose.

Frank J. Ensign was one whose transparent life, whole-souled devotion, and loyal consecration to his God-ordained task, was perhaps never fully appreciated, even by his brethren. He was a man of clean mind and pure heart. He could not do a mean thing. He would have died rather than take advantage of another. To stoop to anything low to him was unthinkable. I have been closely associated with him many years and I never heard him utter an unchaste word or give expression to an impure thought.

In business and social relations with him there was always just one way—the right way. He would rather suffer wrong than do wrong. To know him, to be intimately associated with him was to trust him implicitly and be trusted by him. He was not a demonstrative man, especially regarding himself, but his life, in every way, rang true. He loved the Church and all for which she stood. He was never so busy with his own interests, but what if there were a call to serve any interest of the Church or humanity, his own interests were laid aside and he threw himself unreservedly into the work of the Kingdom. He contended earnestly for fairness, cleanliness, scrupulous honesty. If he took issue and made a fight against anything he considered wrong in principle or tendency, he made his fight in the open. Every one knew where he stood.

We miss him at the annual conference sessions, on the Boards and Committees, in council meetings and all the activities of the church work. We feel that we can ill afford to lose him, yet we bow in submission to the will of God whom he served and whose wisdom he never questioned.

He first saw the light of day in New London, Wisconsin. When he was 28 years old he left his home and came to Texas in the year 1910. In that year he took work in the Gulf Conference and was assigned to La Porte, Texas, where he served three years, after which he was stationed at Lyford, Texas, filling out a term of three years, then back to La Porte once more for four years. DeQuincy came next in his service for the Methodist Church where he remained four years. Basile and Elton were next for one year, then came Jennings, La., remaining there three years, and last of all he started his pastorate at Kinder, La., with every prospect of a full time; but contracting a cold in the moving it developed into more serious trouble which, after months of patient suffering, caused his death.

"We live in deeds, not years, in thoughts, not breaths,
In feelings, not in figures on the dial,
We should count Time by heart-throbs, he most lives
Who thinks most, feels noblest, acts the best." (Philip
Bailey).

R. L. WELDON.
